

Danuta Fitzsimmons, CPA

Senior Manager, Advisory

San Francisco
600 California Street, Suite 600
San Francisco, California 94108

**Overview**

Over eight years' experience in public accounting with a primary focus on small businesses, real estate, REITs, property management, nonprofits, and start-up companies.

Business management services include outsource accounting, design and implementation of computerized accounting and reporting systems, onsite accounting and consulting services to assist clients to improve reporting tools, internal controls for effective operations, and audit supports.

Danuta Fitzsimmons holds an active CPA license in California.

Interesting Tidbit

Made a leap from Europe to the US and English Philology to public accounting.
