

Kristine L. Tryon, CPA

Director, Assurance**Seattle**

12600 SE 38th Street, Suite 245
Bellevue, Washington 98006

**Overview**

Kristine has 30 years of accounting experience and is an Assurance Director in BPM's Seattle office. She typically works with clients in the wine importing and distribution, engineering, internet lead generation, employee benefit plans and franchisors industries.

Kristine has focused on assisting wine importers and distributors since 2001 by reviewing financial statements and providing business and accounting consulting services. It's common for her to assist startup companies and help them grow to large companies who supply and distribute wine across the country and internationally.

Her experience also includes assisting engineering firms with auditing and consulting services. She assists smaller engineering firms that do not have audits in order to help them understand comply with FAR and what they need to provide to the Washington State Department of Transportation to obtain an approved overhead rate. She also has 20 years of experience of providing ICR audits.

Kristine also provides audit services to companies located in Washington and Alaska for their employee benefit plans. She consults with all of her clients on how to improve their internal controls and maintain their accounting records in accordance with generally accepted accounting principles or other basis of accounting they may use.

She can assist a wide variety of companies with understanding and implementing ASC 606.

Kristine Tryon holds an active CPA license in Washington State.

Interesting Tidbit

Kristine lived in Waterford, Ireland for a year, while setting up and operating a manufacturing facility.
