# HR and People Services

## Overview

We know at the core of accelerated growth is people. Let us help you change the way your workforce engages at work and how your company engages with your workforce.

## Strong Results Begin With Efficient HR

Having a nimble and efficient HR function is no longer a nice-to-have, it is critical to surviving in today's business world. We know people inside and out, and we have the knowledge and experience to ensure your organization is positioned to drive better business outcomes.

## First Things First

We begin every client relationship with an organizational assessment. Once we get a snapshot of your business, we will provide an HR report card along with our recommendations. We work closely with every client to determine the best possible hands-on, customized approach. Depending on your situation, this could include consulting services, outsourcing your HR team or helping you to attract the right employees.

## Any Size, Any Stage, Any Place

We draw upon years of experience with startups, emerging businesses, midsize and large organizations to guide our clients tactically and strategically through any stage of growth. We are based on the West Coast, and work with clients big and small across the United States.

Whether you need project based help, a long-term partner, or just a nudge in the right direction, we have the expertise to deliver an effective and strategic solution to any HR challenge, including:

- Outsourced HR
- HR Consulting Services
- HR Recruiting
- PEO Transitions
- HR System Enhancements
